

BEN AND THE TIME GLOBE

*A exciting adventure
story for children by*

STUART HOLT

Ben and The Time Globe is a magical debut book for children by author – and vicar – **Stuart Holt**.

It's an enchanting adventure story about a small boy who finds a mystical Time Globe which then takes him on a journey through time where he meets some very interesting people - and some very scary ones including some very nasty pirates – who he'd much rather get away from...!

Former teacher Stuart Holt fits in writing around his full-time job as a Church of England vicar in a parish in Hampshire.

"I've had the story of Ben and The Time Globe in my head for years and I'm delighted that it's finally being published," he says.

Reverend Holt is donating all his royalties from Ben and The Time Globe to projects in Ghana, where he is Canon of the Diocese of Wiaswo.

"*Ben and The Time Globe* is a great adventure story which will thrill and delight its young readers," says Splendid Media Group's Managing Director Steve Clark. "Stuart has a real skill at storytelling and this is an enthralling book."

- Stuart Holt is author of *Puppets in Praise* (Harper Collins, 1993)
- As well as being a clergyman he's also a semi-professional musician and performs in a group called *The Rockin' Revs*.
